Sir,

With reference to your letter No A 6 C 1358/46-47 dated the 4th February 1948 requesting sanction of Govt to the grant of site reserved to Govern free of cost to the Education Dept for building the Urdu Girls Middle School at Sira and adding that, pending sanction

of Govt, the District Educational Officer has been requested to take possession of the site. I am directed to enquire whether there is no private ownership in connection with this land and whether acquisition proceedings under the statutory provisions of the Land Act are not necessary to create an indefeasible right over the site, before the site is actually taken possession of. This point may be clarified

2 In case acquisition is proceeded with as above and the right of ownership is proved by the Authorities of the Sha Abbas Tomb, I am to enquire to who would bear the cost of the acquisition, whether it is the Municipality that bears it or the Education Dept.

3 There seems to be some discrepancy in the dimensions of the site now selected by the District Education Officer In your letter under reply, it is shown as "30 x 60 square yards according to sketch no 1 which was prepared on 3-1-47 and submitted originally, whereas according to the recent sketch of the site in question

prepared on the 6th April 1967 (kept in the file marked Red) The dimensions are given as 80 feet by 250 feet The correct dimensions may be kindly intimated to enable further action being taken in the matter 4 Records accompany
